‘Suicide Bereavement Support Service’

The Kaleidoscope Plus Group are facilitating a **Suicide Bereavement Support Service**, across the whole county of **Warwickshire**. The service has been funded by Warwickshire County Council through the Public Health and Strategic Commissioning team.

The service provides a **safe space for people who have been bereaved by suicide** to come together and **talk openly about their experience**.

The groups are facilitated by trained professionals who bring with them the **skills and knowledge around coping with grief, loss and bereavement**.

Nuneaton and Bedworth is the first district for the service launch and will be replicated throughout the county.

Please come and drop in to **meet us, find out more** about this brand new service and **indulge in afternoon tea and light refreshments**.
